** Installation Outer Burial Container supplied by family – Additional fee will apply

Installation of Outer Burial Container – Supplied By Others

Acceptance and installation of an Outer Burial Container (OBC) supplied by others (family, mortuary, et. Al.) requires written approval by Mountain View Cemetery Association (MVCA) in advance of arrival of the OBC for installation at MVCA.

To request permission to install an OBC at MVCA, which is private property, others should contact the customer service department at MVCA to obtain an application to supply and/or install an OBC at MVCA. Such application shall be received for review by MVCA a minimum of 48 hours preceding interment.

Due to site conditions or other situations, such as but not limited to steep slopes and existing monuments, an OBC supplied by others may require installation by MVCA at the discretion of MVCA.
